

## Retirees for Justice - Newsletter May 2021

Dear Lisa,

Welcome to Retirees for Justice!

The experience of a global pandemic has taken a toll on all of us. However, as we see the United States slowly opening up, we are cautiously optimistic that our lobbying efforts can begin again.

Our mission is to "protect and preserve the earned benefits of America's retirees." You might wonder how we are going to do this. Retirees for Justice will work to educate lawmakers and retirees in each and every state about the issues facing retirees when a company offloads its pension liabilities to an insurance company in a practice known as pension de-risking. We have a [brand new website](#) chock full of information and statistics about pension de-risking. We urge you to take a look at [www.retireesforjustice.org](http://www.retireesforjustice.org).

Below you will find four articles from Forbes, the New York Times, and the Wall Street Journal. Retirees for Justice makes these available for you to read and share without a subscription, and it's a service we are happy to provide.

Please feel free to forward this email on to any of your fellow retirees. When we schedule meetings with legislators - whether in person or virtual - we want to be able to tell them that Retirees for Justice represents thousands of retirees who are concerned about protecting their earned benefits! We are counting on YOU to spread the word - Retirees for Justice is here to advocate on your behalf!

Sincerely,

Eddie Stone, Executive Director
