

You're Invited to an Exciting Event!

Dear Lisa,

Retirees for Justice has teamed up with our partners to hold an inaugural Roundtable Event on April 19, 2023! We want to give retirees a space to come together and discuss all of the issues that are important to you, our loyal members. All retirees are invited, with panel participants from the Association of DuPont Retirees, the Association of Bell-Tel Retirees, GE Retirees, the Pension Rights Center, and others!

The event will be held at the beautiful Bear Mountain Inn in Tomkins Cove, New York.

We'll be serving a continental breakfast, refreshments and a delicious lunch.

Please join us!

Situated at the base of Bear Mountain and overlooking the shores of Hessian Lake, the historic Bear Mountain Inn is the centerpiece of a unique park system that stretches from the edge of New York City through the Hudson Valley. As one of the earliest rustic-style lodges built to take advantage of a natural setting, Bear Mountain Inn is a fabulous contemporary of the great National Park lodges. Since its inception in 1915, Bear Mountain Inn has been the centerpiece of the Palisades Interstate Park Commission. It was originally constructed as an open-air pavilion. By winter 1923, the great stone arches of the Inn were retrofitted with windows and enclosed to make it a year-round attraction.

The Bear Mountain Inn is seven miles from West Point Military Academy and 45 minutes from New York City.
